INTRODUCING N2Y'S NEW PRODUCTS AND ADDITIONS FOR 2009/2010

August 19, 2009: The 2009/2010 school year is now upon us and everyone at N2Y would like to be the first to welcome you back for another exciting year. While many of you were enjoying some (well-deserved) fun in the sun, we have been busy enhancing and adding some great new content to our **News-2-You** newspaper, **Unique Learning System** curriculum and **SymbolStix** symbol set. We are very excited about what we have developed and want to highlight a few of these additions for you.

News-2-You Newspaper: As we celebrate our 13 year anniversary of the online newspaper, we are now offering even MORE content than ever before! Subscribers will still have access to the over 200 pages of current event news each week plus some exciting new additions!

- ***Enhanced Fun Site with even more interactive games and activities***
- ***Additional Level 3 worksheets***
- ***Weekly Power Point and additional communication boards for many devices***
- ***More actual pictures and links to additional supporting information and videos***
- ***Additional word strips for communication***

Unique Learning System Curriculum: With the overwhelming first-year success of the online curriculum, we have taken steps to make it even more comprehensive. With the great feedback from our user community, we have incorporated several product enhancements for the upcoming school year. Subscribers will now find an abundance of new features and content on the user site. Take a look at what's new!

- ***Progress Monitoring Checkpoint materials (pre/post capabilities)***
 - ***Looking at Content Understanding, Reading and Math***
- ***Guided reading and leveled books***
- ***Benchmarking books and tools***
- ***One-click download of all lessons and materials***
- ***Further alignment and integration with the News-2-You newspaper***
- ***Dolch/Frys Combined Words lists used for high frequency lesson words***

SymbolStix: You asked for it and now it's available: our entire symbol library! That's right, our subscribers have spoken and we have listened. We are proud to announce the launch of two amazing new products: **SymbolStix ONLINE** and **Tobii SymbolMate!** Starting this fall, subscribers who purchase a license to SymbolStix *ONLINE* will be able to download over 12,000 of our SymbolStix Symbols! The set includes a basic search function and weekly updates of dynamic new symbols. SymbolStix *ONLINE* users will be able to access and download all our symbols for development of additional classroom materials. These can also easily be imported into the device of your choice! SymbolStix *ONLINE* will be available in early fall for the introductory price of \$99/user for a one-year subscription.

For the user seeking more functionality, Tobii SymbolMate is the answer! This robust software allows for the creation of communication pages for AAC users and their static devices with pre-designed templates. Along with supporting communication needs, SymbolMate is the perfect tool for building visual schedules and social skill activities for children with special needs. It also supports literacy development by allowing the educator to create books and symbol-based literacy activities for emergent readers. Tobii SymbolMate is shipping now and can be purchased for \$299. For more information on purchasing either of these great products, please contact us and we'll be happy to add them to your subscription!

N2Y, Inc.[®] is a family-run, online education publishing company started by Jacquie Clark, a speech-language pathologist with over 30 years experience in and out of the classroom. N2Y, Inc.[®] has grown to include a weekly newspaper, online curriculum and dynamic symbol set. The New-2-You current events newspaper utilizes concise, symbol-supported text to deliver current events news to a population previously denied this information. The Unique Learning System is the only comprehensive Web-based and standards-based curriculum specifically designed for special learners. Recently launched SymbolStix *ONLINE*, the newest and most dynamic symbol set ever developed. The set is used exclusively throughout the News-2-You newspaper and the Unique curriculum.

The N2Y, Inc.[®] products are all available on the Web, allowing thousands of global subscribers easy access to all the published content and materials.
